attention was drawn to the Bookstall and the Traidcraft stall both located at the back of the hall. Those present were urged to collect the resource packs available in envelopes – two envelopes per Church and per minister.

#### **4) Minutes**

The minutes of the series of 'regional' Synod meetings held in the spring were agreed, with no matters arising.

#### **5) Moderator's address**

The Moderator continued the theme of environmental change presenting inspiring examples of how people in the poorest communities of El Salvador are finding creative and supportive solutions to deal with the impact of an increasing number of typhoons each year.

#### **6) Synod Elders' Report (Ref. 4.1 – 4.15)**

The Synod Clerk identified a small number of amendments to information contained in the Synod Elders Report:

- 4.4 Revd Paula Parish-Foley is now representing the Synod on the Bettws CRCW management group.
- 4.5 Christians against Torture is being disbanded: no representative is therefore needed.
- 4.7 should read 'Revd Colin Foreman has retired from the Deeside pastorate. This pastorate has been dissolved and the Dee Estuary pastorate re-formed comprising three churches: Rivertown, Shotton, St. John's Flint with Bagillt and Hebron, Mostyn.'
- 4.15 The spelling of the names of Verena Walder and Jill Williams was corrected.

The Moderator asked whether there were any questions relating to the Synod Elders' Report – no questions were raised.

#### **7) Presentation** - A local church story – Hope and Market Square United Church, Merthyr

Chris Powell gave an amusing and encouraging presentation on the trials and tribulations involved in transforming Hope and Market Square United Church Merthyr into a building fit for purpose. After months and months of fundraising and hands on contribution by the congregation, the external building was refurbished, the interior building was redecorated and a Noah's Ark Garden was created – all that is needed now is a minister!

#### **8) Leadership Development Board/Mission Resource Board Report (Ref. 5.1 – 5.20).**

Attention was drawn to the availability of a form for completion by churches to request Judy Harris's help particularly for child protection training which she can deliver.

The date for the lay preaching conference was noted as the 2<sup>nd</sup> weekend in October every year.

The Moderator congratulated Revds Sue Fender and Paul Robinson on completing EM2 and presented a certificate to Sue who was present.

The Training and Development Officer post was reviewed and deemed critical as it fits with the Synod's priorities.

The Moderator explained the three stages of the resolution process (sharing information, discussion, decision making) before proceeding with the first resolution before the Synod meeting.

### **Resolution (Ref. 5.21)**

**Synod meeting agrees to the continuation of a full time equivalent Training and Development Officer post, and entrusts the Leadership and Development Board to work on the details to be approved by Synod Council, with a view to appointing a Training and Development Officer (South) as soon as possible.**

**Resolution passed unanimously**

### **9) Finance and Property Report (Ref. 6.1 – 6.25)**

The Synod Treasurer explained the accounts presented on the last two pages of the Synod reports. The Moderator requested further explanation of the increases in ministry and mission fund pledges for 2015.

### **Resolution (Ref. 6.26.1)**

**Synod notes the Ministry and Mission Fund targets for 2015 of £337 and £86 for ministry and mission respectively per member.**

**Resolution passed unanimously**

Representatives questioned the reduction in financial contribution to the Synod from churches from £10k to £6K. It was noted that the figure of £6K is a practical expression of the actual figure achieved. There was recognition from the floor of the work of both Chris and Helen in bringing together the accounts.

### **Resolution (Ref. 6.26.2)**

**Synod approves the budget for 2015.**

**Resolution passed unanimously**

The Moderator explained the nature of the next *permissive* resolution. The Charities Act requires that the best price be sought for the sale of any

building. The policy within this resolution will enable a different solution, allowing the Trust's work with partners to be consistent with the charitable objects of the church.

### **Resolution (Ref. 6.26.3)**

**Synod meeting affirms the provision of land for affordable housing whenever circumstances allow since it believes this to be consistent with its charitable objects to work towards the relief of those in need in our society.**

### **Resolution passed unanimously**

#### **10) Presentations – Christian Aid**

The Moderator returned to the theme of his worship citing El Salvador as a practical example of how people can bring health and life to their communities. The Moderator introduced two presentations from Christian Aid and encouraged 'looking wider'.

Ann Jane Evans discussed Hunger for Justice and encouraged churches to send letters (pro forma available) to MPs calling on them to place climate change on their agendas. Hunger for Justice leaflets which turn into wall posters were disseminated.

Tom Hackett discussed Commitment for Life which advocates personal giving rather than fundraising as a model. Some churches give 1% of their income. The money is split between countries identified by the World Development Movement.

The Moderator invited all participants to share with neighbours in the room how they have supported Christian Aid. A Prayer for Hunger for Justice concluded the morning session.

Lunchtime adjournment

#### **11) Synod Council Report (Ref. 7.1 – 7.14)**

The Synod Clerk discussed the collation of information with respect to Elders' interests, gifts and skills and emphasised their usefulness. The forms are to be circulated again in the future.

The Moderator provided information on Synod priorities introduced in the last year and referred particularly to section 7.8 in the Synod papers. The Moderator referenced a deployment policy review in the context of being prayerful, trying to discern where the spirit is leading; sharing the good news within the framework of the Vision2020 statements; meeting people not only in the church setting but in their need; and engaging with questions of social justice.

Questions were asked with respect to Synod operations and the support which can be offered to ministry teams. The Moderator suggested further

conversations were required. Further discussion focused on the closure of the Lightship in Cardiff Bay and the need for continuing chaplaincy.

### **Resolution (Ref. 7.15.1)**

**Synod meeting approves the priorities, core work and guidance for 2014-15 as outlined in the report.**

### **Resolution passed unanimously**

The Moderator stated that responses have been varied with respect to how ministers should be deployed. The Moderator questioned whether there was consensual approval of Synod proposals. The preparation of models/patterns/options for deployment was suggested. The Moderator advocated further conversations at regional meetings and an amendment to the resolution to reflect this.

### **Resolution (Ref. 7.15.2)**

**Synod meeting asks churches that have not responded to consider how ministers should be deployed ready for a discussion about deployment in regions. Synod Elders to consider the points raised in regional meetings.**

### **Resolution passed unanimously**

The Moderator spoke of how he had been well served by the current Synod Clerk who had been in post for the last 5 years and that a replacement would be needed next year, ideally to shadow the Synod Clerk for a period of time.

### **Resolution (Ref. 7.15.3)**

**Synod meeting agrees in principle that the Synod Clerk should be a paid post and urges Synod Council to prepare a job description so that an appointment can be made as soon as possible.**

### **Resolution passed unanimously**

## **12) District Council report (Ref. 8.1)**

The Synod Clerk explained the legal requirement to keep a residual District Council within each Synod. The Council meets very infrequently but is tasked with closing churches where there are no members and/or church meetings.

### **8.2 Resolutions:**

### **13) Marriage of same-sex couples**

The Moderator spoke of the General Assembly's request for discussions to take place on the topic of same sex marriage. Facilitators are available to talk to churches. The Moderator clarified that the Synod needs to respond to the questions in the One Plus One booklet and respond to the General Assembly before next March. Under 18's participating in these conversations will need parental consent.

### **14) Ecumenical Officer (Ref. 9.1-9.5)**

The Ecumenical officer made an enthusiastic case for the Synod to re-join the Free Church Council of Wales to ensure non-conformist inclusion. The perceived lack of clarity and purpose of the Free Church Council was discussed together with the financial implications of re-joining.

Differences of opinion were voiced together with requests for more detailed information. The Moderator suggested that the proposal be taken

back to churches for further discussion as there was hesitancy displayed within the Synod meeting.
