

URC's Safeguarding Strategic Plan 2020-2025

Safeguarding people is a journey and part of the URC's mission.
We journey alongside those who have been abused,
we safeguard the integrity of creation,
and we all go together as one Church and one body.

Keeping people safe

The Past Case Review (2015-2017) indicated the need for the Church to undertake systemic changes. Responding to instructions given by Mission Council, the Safeguarding Advisory Group reviewed all the PCR Learning Report's recommendations, consulted with synods and produced this comprehensive strategic safeguarding plan for the Church to take effect from 2020 to 2025. Having already accepted the recommendations of the Past Case Review Learning Group Report, Mission Council in November 2019, acting on behalf of General Assembly, endorsed the URC's safeguarding strategic plan as the next step of the journey and directed the safeguarding advisory group:

- (a) to oversee the development, implementation, review and monitoring of the plan
- (b) to advise Mission Council/General Assembly on progress at subsequent meetings.

Moving towards a five-year strategy

This strategy with its six clear objectives aims to effect cultural change and improvements in the safeguarding policies, practices and procedures of the United Reformed Church over the next five years. According to the URC's mission, the aim of the Church is to proclaim the love of God in Jesus Christ in word and deed. A main strategy to achieve that overall aim is to ensure that anyone who engages with our congregations, synods, institutions, and offices across the three nations of England, Scotland and Wales is committed to protecting children and adults who are or might be experiencing abuse or neglect.

The strategy for safeguarding at the URC places ethos, shared responsibilities and collaborative action at the forefront of delivering the tasks and actions of this strategy in ways that align with the conciliar traditions and policies of the Church as well as with safeguarding statutory requirements and regulations. Central to this is the view of safeguarding as being everyone's responsibility, to support the welfare and wellbeing of people across the denomination, along with a commitment to a common policy – *Good Practice 5 - Safeguarding for Children and Adults at Risk* – as the only safeguarding policy of the Church. In Scotland, elements of the URC strategy will be delivered in accordance with the Safeguarding Policy and Procedures of the Church of Scotland due to the specific Scots law. For instance, safer recruitment and disciplinary processes are not covered in the current safeguarding agreement with the Church of Scotland.

Delivery of the Strategic Plan will occur in two phases: Years 1, 2, 3 and 4, will focus on planning, delivery and evaluation. Finally, in Year 5 the Safeguarding Advisory Group (SAG) will review progress against its published objectives and will undertake planning and consultation to develop a new Strategic Plan for 2025 onwards. The Safeguarding Advisory Group will be responsible and accountable for overseeing the priorities and activities in the plan, approving additional funding requests from synods and reporting to Mission Council through its secretary (the Safeguarding Adviser of the Church). The synods will make their own strategic arrangements related to the whole-Church strategy depending on available resources and existing safeguarding practices and they will have access to Assembly-level support throughout the years in delivering the plan.

Outline of six strategic objectives: charting the way forward

URC Strategic Objective	Key Tasks	Rationale	Success Indicators	Deadlines	Key People	Possible issues and wider implications
1. Instil a safeguarding ethos of care and service within all local congregations, synods and bodies of the URC.	1.1. Ensure that each local church and community have safeguarding designated persons committed to protecting children and adults who are or might be at risk of experience abuse or neglect	All URC churches have at least a single point of contact to protect places of worship and all those who are working for and affiliated with them.	Each local church has identified and appointed safeguarding coordinators to whom safeguarding incidents and concerns are reported	March 2022	CSC Data/Admin staff Elders Pastoral Committees	Not enough and able volunteers to undertake the role – One CSC can be shared across a pastorate or group of local churches A transparent approach to local safeguarding arrangements is valued in practice Good examples of active safeguarding coordinators, elders and volunteers be acknowledged
	1.2. Contact details of safeguarding designated persons are added and updated in databases and shared through relevant media and communication materials, including church posters and noticeboards, URC Yearbook and Synod Directories and websites (depending on role and part of the church).	Details of designated safeguarding persons (Church Safeguarding Coordinators/ Synod Safeguarding Officers and Advisers) are public and easily accessible to raise safeguarding concerns or other general enquiries throughout the Church	Numbers of churches providing this data on church returns Number of posters displayed	On time of annual returns (normally January)	Church Secretaries CSC Admin staff SSOs S/G Adviser Publications staff	GDPR principles considered and applied when asked persons to add their contact details The risk of low rate in church returns. Using one return form and requesting data only once a year from the churches Correlate data of synod safeguarding returns and church annual returns to inform and regularly update a centralised database
