Lifestyle:
Single-use plastic ban

Land:
Nature 2030

Community and Global
Engagement:

Loss and Damage finance

- soon it will be against the law for churches to supply single-use plastics
- plates, cutlery, straws & stirrers, polystyrene cups & containers etc
- now is the time to use them up
- there are biodegradable alternatives ...
but perhaps we should go back to cups and saucers!

Loss and Damage Campaign

The climate crisis is
destroying communities.

Homes flooded in Honduras following
Hurricane Iota in 2020.

Join our campaign to
make polluters pay.
